

THE TUTORS' ASSOCIATION

'Aspire to Inspire'

Since its launch in 2013, The Tutors' Association has grown to over 600 members, including both individual tutors and tuition companies representing around 20,000 tutors. We are recognised not only by the major education experts within the supplementary education sector but also recommended by *The Good Schools Guide*, *School Guide*, *The Independent Schools Show* and the UK Parliament's Education Select Committee to parents seeking tutors for their children. To find out more and apply for membership of *your* professional body, contact us:
